### **Questions about privacy**

In our [privacy policy](#), in accordance with the GDPR, (General Data Protection Regulation) you will find detailed information on the subject of data protection, information and the possibility of contradiction. If you have a concern, please contact us by e-mail at any time to [imageprofessionals@datenschutzanfrage.de](mailto:imageprofessionals@datenschutzanfrage.de) .

### **Liability for Content**

The content of our website has been reviewed with great care. However, we cannot take responsibility for the accuracy, completeness or current nature of the content. As a service provider, we are responsible for our own content on these pages. However, we are not obliged, to monitor or research information transferred or stored by third parties. In this respect, liability arises only from the point at which a specific violation of the law is identified. As soon as such violations of the law are known to us, any questionable content will be immediately removed.

### **Liability for Links**

Our website includes links to the websites of third parties, the content of which we have no influence over. As a result, we can also not guarantee the nature of this third-party content. The respective provider or operator of the site is in all cases responsible for the content of linked pages. The linked pages were checked at the point of linking for any possible breaches of the law. No such violations of the law could be identified at the point of linking. Ongoing monitoring of linked pages is not reasonable, however, without a concrete indication of a violation of the law. As soon as such violations of the law are known to us, these links will be immediately removed.

### **Information about dispute resolution**

According to Article 14 paragraph 1 ODR-VO, we inform you that you can reach the Internet platform for the online resolution of consumer disputes via the link: [ec.europa.eu/consumers/odr](http://ec.europa.eu/consumers/odr). We are not taking part in dispute resolutions at any dispute resolution body.
